Experience

Siege Media, LLC

Senior Designer • July 2020 — Present

I work with art directors, content marketers, and clients to create illustrated infographics, printables for parents and children, tables and charts, heroimages, and photo mock-ups. I have worked as the coordinator for Siege's pro-bono design relationship with *Austin Pets Alive*. I have also led several tutorials and team building sessions for the design team.

Selected Client Work

Mozilla Firefox

Freelance Illustrator • October 2021 — December 2021

I worked with teams at Firefox to create illustrated comic vignettes to help internally launch a new shopping app for the holidays.

The New York Times

Freelance Illustrator • November 2020

I worked with art directors to create illustrations for an article about working from home in collaboration with T Brand Studio for HP.

Leafly

Freelance Illustrator & Designer • July 2018 — July 2020

I created editorial illustrations, infographics, and comics for Leafly News articles. Responsibilities included research, concept, and illustration for web and social media.

Snapchat

Freelance Illustrator • August 2019

I designed two sticker packs for the main star tab in the app. I was asked to create two themes; I did a Sweet Pack and a Salty Pack. They debuted in October and November 2019, respectively.

Target

Freelance Mural Designer • May 2019 — September 2019

I worked with Target headquarters to design a mural for the Seattle Target store location in Ballard. In addition to the mural, I designed reusable bags that were given to customers.

Education

Seattle Central Creative Academy

AAS Graphic Design • Class of 2018
